

Leaderma Hair Care system contains extracts of Caffeine, Saw Palmetto, Panax Ginseng, Ginkgo Biloba, Horse Chestnut and Capsicum to control the oil-water balance of the hair and the scalp. These extracts also have a strong positive effect on the revival and moisture of the hair & scalp. Plant keratin, fermented minerals, and intensive vitamin complexes nourish the hair and give it a stronger, livelier and more voluminous appearance. Provides softness and easy combing without the need to use a conditioner. It helps to prevent hair loss by nourishing hair and hair follicles.

step

1

clinical shampoo
300ml e 10.2 fl oz

step

2

clinical serum
33ml e 10.2 fl oz

use

- Shake well before use
- Apply 5 - 10 ml of hair care shampoo to wet hair
- Massage gently and leave it for 5 minutes for action. The active ingredients will penetrate into scalp and hair follicles.
- Rinse your hair with plenty of water.
- Dry your hair and follow step 2.
- Use Leaderma hair care shampoo regularly in order to see significant effects.

use

- Shake well before use
- Spray hair care serum 3 - 5 times on scalp, especially the target areas.
- Massage gently with fingertips till total absorption and leave it for 4 - 6 hours.
- Do no rinse.
- Apply the recommended dose twice daily (morning and evening) but at least once a day.
